Land Lease Survey Summary Meeting

JANUARY 23, 2025
6:00 PM

The Branch
104 S Chestnut St
Clyde, KS 66938

Come learn about the different rental rates in the district for crops, pasture, grazing crop residue, and custom harvest. There will also be a breakdown on landowner and tenant input responsibilities on lease arrangements.

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services, and activities. Accommodation for persons with disabilities may be requested by contacting the event contact Washington office four weeks prior to the start of the event at 785-325-2121. Requests received after this date will be honored when it is feasible to do so.
