**Fall Gardening To-Do List Program to be held in Concordia and Mankato**

Come learn how to tidy up your garden for the season! Fall is almost here and soon it will be time to clean out the garden and prep for winter. There are several important fall landscape tasks to complete now, so you are sure to have a successful spring garden. This meeting will cover topics such as garden and flowerbed clean up and preparing trees and lawns for the winter season.

River Valley Extension District and the Post Rock District are partnering to offer a fall garden wrap-up program. This program will be held in two locations on two different dates.

Join us in Concordia at the Cloud County Co-op Conference Room on Friday, September 20 from 12:10 to 12:50 p.m. (1401 E. 6th Street Concordia, KS 66901). We will also host this meeting in Mankato. Join us at the Jewell County Courthouse Meeting Room from 12:10-12:50 p.m. on Friday, September 27th (307 N Commercial Mankato, KS 66956).
